- Bootstrap
- Tailwind

Personality

Name:	SOR CHHIN	Gender:	Female
Date of birth :	10 th May 2004	Province:	Kampot
Nationality:	Khmer	Marital status:	Single

Experiences

School projects

Visual Company One(POS System)

25th Feb 2025 - 02nd May 2025

- Role: **"QA"**
- Repository: https://github.com/sinhpp/VC1-POS_System
- Tested the App and developed code.
- Designed the user interface using Figma before starting development.
- Developed an interactive website for users and implemented the front-end using HTML, CSS, JavaScript, and Bootstrap, and built the back-end with PHP.
- Managed the data using a database.
- Used Jira to check the task that Scrum assigned for developing code.

School Management System

Mar 28th, 2025 - Jun 07th, 2025

- Role: **"Developer"**
- Repository: <https://github.com/SOR-CHHIN/School-management-System-A4>
- Designed the table for relationships and draw a UML class diagram in draw.io.
- Created a system called "School Management System" using OOP TypeScript(**principles**), GitHub, and Git.
- Implemented key features such as relationships between student, teacher, subject, and class in the project to run smoothly.

Note taker app

12th Jan 2024 - 26th Jan 2024

- Role: **"Developer and QA"**
- Repository: <https://github.com/Sokleap-Seng/project-Note-Taker-G5>
- Designed the user interface using Figma before starting development.
- Implemented the front-end using HTML, CSS, Bootstrap, and JavaScript to enable user interaction.
- Used Git and GitHub for version control and team collaboration.

Software Deployment

30th Dec 2024 - 05th Jan 2024

- Hosted a static website on Amazon Web Services (AWS) using cloud-based infrastructure and deployed a WordPress website on an Ubuntu server to enable dynamic content management.

Web Design(clinic service websites)

17th Oct 2024 - 05th Nov 2024

- Role: **"Team leader"**
- Repository: <https://github.com/darin hoy/clinic-service-A6>
- Designed user interfaces using Figma during the planning phase before development.
- Built responsive clinic service websites using HTML, SASS, and CSS.
- Focused on user-friendly layout and accessibility for healthcare-related services.

Soft Skills

- Communication
- Teamwork
- Responsibility
- Time Management
- Task Management
- Creativity
- Attention to detail
- Problem-Solving
- Adaptation

Languages

- Khmer: Mother Tongue
- English: Pre-intermediate

Interests

- Researching
- Coding
- Designing
- Learning a new things
- Reading (book)
- Building communication
- Volunteering

Design Project(PNC student association club brochure)

18th Jun 2024 - 05th Aug 2024

- Role: "Designer"
- Group size: 5 members
- Designed the template using Figma for this project.

Technical Workshops

• Product Owner Workshops(Jan 18 & 25, 2025)

Presented by: Felix Leuker

Attend to the product owner role by understanding responsibilities, writing user stories, and practising agile workflows using Jira.

• UX/UI Design Workshops(Feb 8, 2025)

Presented by: Philip James BARDON

Attend to translating project requirements into prototypes and apply design logic through hands-on UX/UI activities.

• Data Analytics Workshop(Mar 19, 2025)

Attend to prepare and visualise data using Python and Power BI to transform raw information into actionable insights.

• Project Management Workshop(Feb 7 & Mar 14, 2025)

Presented by: Felix Leuker

Attend to understanding agile team roles and collaborate effectively using Jira, Git, and GitHub to manage user stories and project tasks.
